## Pioneers of Mice Management in Kerala

The MICE industry has progressed with time, its no longer confined to a Corporate activity, just held outside the working environment. MICE is now all about THE DESTINATION AND THE EXPERIENCE

With about a decade of Experience, Expertise and Craftsmanship in managing and executing events flawlessly and being the pioneers in MICE Management in Kerala, we can make your MICE Experience the best ever and an unforgettable one.

Our services start with planning and extend to execution and way beyond...

We are proud to say that we have managed and executed most of the largest conferences held in Kerala. We also have expertise in corporate events, medical, scientific and industrial conferences, seminars, exhibitions, weddings, theme based dinners and entertainment...all of which put together make a complete MICE EXPERIENCE.
